WELCOME TO KNOCKHILL FROM KMSC CHAIRMAN STUART GRAY

Welcome to the first Scottish and Knockhill Motor Sports Club championship event of 2026.

As we start a new season, it is always fascinating to see how the riders get on after the winter break as some have switched classes and moved up, some have acquired new bikes and some have done tweaks to their trusty race machines. Add in a host of new riders, results are sometimes turned upside down and the form book goes out of the window which makes for even more exciting racing!

It was great seeing so many KMSC members at the recent Scottish Motorcycle Show as they shared their plans for the season. We have a rich, and long, history of success in bike sport at the Scottish, British and International scenes and who knows who will progress from the grids this weekend to join Rory Skinner at the British Superbikes events nationally in seasons to come. 2026 looks like a season that a number of our riders who have learnt their craft at Knockhill and are making that leap to the national scene.

We are delighted to welcome our Club sponsors who have remained for yet another year with Reynolds Racing, Stiggy Motorsport, Shirlaws, Cupar Motorcycles, Motorrad BMW and Marin. Many thanks to each and every one, your support is much appreciated and helps the Club racing scene enormously.

A couple of other dates for your diary this year are the ZYN British Superbikes on June 19th to 21st and our own special Rewind Classic Motorcycle Festival on September 6th. The Superbikes event will be extra special this year as the championship marks 30 seasons since that famous win by Club President Niall Mackenzie on the Boost sponsored Yamaha, the first of his three consecutive titles. We will have special features at this years events as well as inviting back a number of racers who have featured over the last three decades - it's going to be a special event. The Rewind event will have expanded classic races as well as Rewind track sessions for bikes from the 70s, 80s and 90s. If you like nostalgia in the bike race and road riding scene, then this is the event for you.

If you follow a rider, why not join them for the post-race awards ceremony in the Paddock Cafe & Bar on Saturday evening to which everyone is welcome, on Sunday, riders who secured a podium in your class (1-2-3) collect their trophies from the Scrutineering Bay after each race.

Finally, may I say a huge thanks to everyone who helped host this weekend from all the marshals, medics and officials and wish everyone a safe and spectacular race meeting as we are sure to see some titanic battles across all the classes.
