

SCOTTISH CHAMPIONSHIP CAR RACING - ROUND 3

11TH - 12TH JULY

OFFICIAL PROGRAMME

WELCOME TO THE SCOTTISH CHAMPIONSHIP CAR RACING WEEKEND

Welcome to Knockhill for our third, and by far, biggest car race meeting of 2026 with a combination of Knockhill Motor Sports Club and Scottish Motor Racing Club championships, together with four visiting rounds.

In addition to our regular ModSports, Scottish Legends, C1 Cup, Fiesta STs we have the return of our friends from the Darlington & District Club and Long Circuit Karts, and for the first time, the SEAT Supercup Ireland and the BRSCC run Classic 2CV Racing Championship! Phew, there is definitely something here for everyone at this event with variety the theme of the event. What other event could you see outright lap record speed Karts, to Touring Car type cars with the SEATs, to the iconic 2CVs doing a 90 minute endurance race with compulsory 2 driver swaps mid race? We hope you enjoy the challenges of Knockhill and will make a return visit next year!

Remember, there is a FREE GRID WALK during the lunch break on Saturday for the Scottish Fiesta STs and for the Classic 2CVs on Sunday. So, listen out for announcements to start gathering outside the Circuit Office in the main Paddock, and you can get on the grid, just minutes before the races start. It's a great experience and I recommend all to take part. We also have the podium near Race Control/Kinnairds Bistro, so be sure to cheer and applaud as each driver receives their trophies.

The biggest highlight of the summer will undoubtedly be the Kwik Fit British Touring Car Championship on 8th–9th August, which is extra special this year as our own Scottish Legends join the support package to race in front of a capacity crowd and a worldwide TV audience. This weekend we have a capacity grid of 34 cars again, so hats off the Andrew & Tracey Donald and Duncan Vincent for all their efforts behind the scenes as the championship has just returned from racing at Oulton Park with the Touring Cars, and some say, stole the show with their amazing racing, overtakes and action! We are expecting the same here next month when they race at their home track.

Also later in September, we are hosting Knockhill's first night races on September 26th with the Classic Sports Car Club. Many of the Scottish racers in the Minis, STs and Classics will be eligible to compete, so imagine a full day of racing, then we wait with a tea break at 6pm to allow it to get fully dark, then restart the meeting with two qualifying grids and races through to about 9.45pm at night, in full darkness. It's going to be a first for the drivers, marshals and spectators alike, so plenty to look forward to.

Finally, we want to extend a big thanks to all the marshals, officials, medical, rescue and recovery teams today. Without everyone in each role, a day cannot be put on for our enjoyment, so again, a huge thanks to everyone "on duty" over the weekend.

Yours in Sport
