SCOTTISH CHAMPIONSHIP CAR RACING - ROUND 4

WELCOME TO THE SCOTTISH CHAMPIONSHIP CAR RACING WEEKEND

Welcome to Knockhill for our penultimate Knockhill Motor Sports Club organised car race meeting of 2026 with a combination of KMSC and Scottish Motor Racing Club championships, together with our friends from the British Sprint Championships.

In addition to our regular ModSports, Scottish Legends, C1 Cup, Fiesta STs, we have the finals of Super Lap Scotland, and some of the fastest drivers in Britain with the British Sprint competitors in cars that are geared, and fueled, to complete the fastest laps of Knockhill. With all activities being anti-clockwise this weekend, it will be sure to throw up different winners and the Sprint drivers will be competing over a lap and 3/4's to establish their times. They will have a standing start out of the pit lane, complete a full lap, go on to their second lap, but their finish beam is at Leslie's, before returning to the pit lane. The sight, sound and speed of some of these cars is impressive and they each battle for the last 1/100th of a second against the clock.

Also, remember, there is a FREE GRID WALK during the lunch break on Saturday for the Scottish Fiesta ST's and for the Scottish C1's on Sunday. So, listen out for announcements to start gathering outside the Circuit Office in the main Paddock, and you can get on the grid, just minutes before the races start.

It's a great experience and I recommend all to take part. We also have the podium near Race Control/Kinnairds Bistro, so be sure to cheer and applaud as each driver receives their trophies.

One of the most intriguing events of the summer, indeed in the history of Knockhill, will be hosting Knockhill's first night races on Saturday, September 26th with the Classic Sports Car Club. The CSCC are bringing up multiple series, many of which have not raced at Knockhill before, together with the Scottish Classics from the SMRC. There will be a full day of racing as normal, then we wait with a tea break at 6pm to allow it to get fully dark, then restart the meeting with two qualifying grids and two 40 minute races with driver pitstops, through to about 9.45pm at night, in full darkness. It's going to be a first for the drivers, marshals and spectators alike, so plenty to look forward to! Following that event is our final car race meeting of the year where championships will be decided, on October 10th / 11th, so still plenty to look forward to.

Finally, we want to extend a big thanks to all the marshals, officials, medical, rescue and recovery teams "on duty" over the weekend. We are always grateful for your time, experience and expertise.

Yours in Sport

Stuart Gray
Chairman KMSC
