Welcome to Knockhill Motor Sports Club bike racing.

Welcome to the 3rd Knockhill Motor Sport Club organised motorcycle race meeting. We are delighted to have the inclusion of Sidecars at this event as it is round one and two of our Sidecar Championships to win the prestigious Steve Webster Trophy.

with Sammi Tasker also going really well too. Dave Paton romped home to victory the Supersport Cup. Well done to everyone at the BSB meeting, there is no doubt that when the big boys (and girls) of the BSB are in town, everyone raises their game.

Just six days ago Knockhill roared to the noise of the MCE British Superbikes, a record entry of 247 riders from all over the world and I am delighted that our Club numbers are also on the rise too, to almost 110 entered today, the likes of which we have not seen at this level for a number of years. This progress bodes well for our final meeting of the year on September 25th as riders chase for Championship honours.

Remember there are still fun and action filled events to come in 2011, the highlight on four wheels being the Touring Cars in September. The North East Motorcycle Club are here in July 23rd / 24th with their super two day meeting featuring the finale of the Knockhill Club Sidecar Championship and the prestigious Jock Taylor Trophy race.

A number of riders were in action last week at the BSB and it will be interesting to see how they get on against fellow Club members. We were all willing on Club member Tarran Mackenzie as he chased for his first podium,

We wish everyone the best fortune today, especially our first time Club racers and a big thank you to all the marshals, medics and officials too. Finally, this event is being televised, so be sure to tune in to Motors TV on July 14th.

Stuart Gray - Chairman
