Welcome to Knockhill Motor Sports Club bike racing.

Welcome to the first round of Knockhill Motor Sports Club bike racing for 2012. We are delighted with the turn out and we really hope that we can build on the successes of last year.

The super televised coverage on Motors TV continues with a new, improved format and Scottish Championship status classes take us to a whole new level on track.

I wish all competitors, marshals and spectators a safe and enjoyable day. A special mention must be made to our event sponsors and hope that their guests enjoy today's event. There are super grid sizes, big names and the welcome return of sidecars, which should all make an entertaining spectacle for all.

Our Club President, Niall Mackenzie cant be with us this weekend as he is in Spain for the MotoGP. He will however, be attending the June meeting and sends this message.

"Sorry I cant be at this event, but the whole family are looking forward to meeting you all in June. I am delighted with the progress the Club

has made in such a short space of time. I really do feel that Scottish bike-sport is on the up, and that can only benefit everyone involved."

Our Spirit of the Meeting Award, the "Wullie Brown Trophy" will be presented at the end of the day in the Clubhouse. You are very welcome to attend the trophy presentations on both Saturday and Sunday!

In addition to the season long sponsors whoes adverts are featured in the programme, we would also like to thank Motorex Oils, Suresafe and Vemar Helmets for their spot prizes at each event.

If you have a favourite rider or want a shout-out by the commentators, remember Knockhill FM broadcasts on 87.7FM and the text number for the tower is 07941 808552. TV coverage from today's event will appear exclusively on Motors TV in three weeks time.

Again, thank you to everyone involved for making this event happen and safe racing for all.

Yours in Sport

Simon Pavey, Dakar champ and BMW's Off-Road Schools Director will once again bring the complete off-road fleet of BMW's to Scotland for you to join in the Off-Road Adventure led by Pavey and his team.

Don't worry if you haven't ridden off-road before, there will be beginner, intermediate and expert levels along with a choice of BMW models including the R 1200 GS, F 800 GS and F 650 GS.

You will learn all the essential skills needed to make you competent and safe off road, regardless of prior experience.
