

CAR/BIKE TRACKDAY

PARTICIPANT INFORMATION

Due to the current pandemic, Knockhill Racing Circuit have implemented a number of new protocols for participants attending Knockhill car and bike Trackdays. These will be in place until further notice.

REGISTRATION

Trackday Sign-on and Safety Briefings - Both the briefing and the digital sign on forms must be completed (in-full) before arrival at Knockhill.

Wristband and Licence Checks - will take place at the main security gate house. Customers will then be ushered into the paddock area once all the relevant checks have been completed.

Stickers – As per normal a sticker will be provided on arrival for you to place on your car or bike.

PADDOCKS & GARAGES

Paddock Areas - Both Paddock one and two can be used as a base for riders/drivers. We'd urge that you maintain a clear distance from the next participant, even if they are your friend for social distancing purposes.

Pit Lane Garages - These will remain closed for the time being until the guidelines change. Therefore, anyone needing power will have to bring a generator with them on the day. Knockhill will not be providing power, cables or access to any electrical source.

EQUIPMENT

Helmets - We'd encourage all trackday participants to bring their own helmets, for your single use only.

SPECTATORS & GUESTS

Spectators - We will not be allowing spectators inside the venue. However, as we move through our phased return spectator access will return – we'll notify everyone of this at that point.

Guests - Simply, participants can bring two guests/helpers along with them and those helpers must be over the age of 16. Outwith the participant and one helper, no other people can attend with you. If your guests are from a different household, then the advice is to travel separately to Knockhill. If this can't be achieved then please follow the guidelines as set out here: <https://www.transport.gov.scot/coronavirus-covid-19/transport-transition-plan/advice-on-how-to-travel-safely/>.

Passengers - Should you wish to take a passenger(s) on track, then these would be your allocated guest - no other people can attend with you. We advise that passengers should be from the same household. Where this is not possible please follow the guidelines here: <https://www.transport.gov.scot/coronavirus-covid-19/transport-transition-plan/advice-on-how-to-travel-safely/>

FOOD & TOILETS

Restaurants - Our on-site restaurant will operate a one-way take away system during trackdays. Please don't loiter in and around doorways and please maintain an orderly socially distanced queue while in and around the restaurant. You can bring your own food but please dispose of your rubbish in the many bins provided in and around the paddock. We'd urge all customers to use contactless payment wherever possible.

Toilets - The toilets will be open for public use, please be courteous to other trackday participants when entering and exiting the buildings. Please maintain your distance and be patient if there are a number of people already using the facilities. Additionally, hand sanitiser will be available on the outside of the building, please use this before you enter the building and wash your hands thoroughly before leaving. Sanitise them again if you wish.

MEDICAL INCIDENTS

Medical Team - We have amended the current guidelines for dealing with medical emergencies on track. Instead of marshals responding to incidents involving a fallen rider or significantly damaged vehicle, these will now be covered by a fast-response medical vehicle with fully trained staff wearing appropriate ppe.

PRECAUTIONS

Precautions - Please take every precaution, clean your hands regularly, maintain your distance from fellow participants, and staff. Please be as conscientious as you can in order to prevent the spread of the virus. Sanitiser and cleaning materials will be made available, however, we'd urge participants to bring their own where necessary.

SYMPTOMS

Symptoms – Please follow government guidelines, if anyone is feeling unwell, particularly with the symptoms of coronavirus, please do not attend Knockhill. Or, if have been in contact with anyone who has subsequently contracted the virus, again, please stay at home.

If you need to cancel your booking please call the team on 01383 723337 - lines open 9.30am-4.30pm - Open 6 Days (Closed on Tuesdays)
